Czech Metrology Institute

CERTIFICATE

ON METROLOGICAL, TECHNICAL AND PERSONAL COMPETENCE TO VERIFICATION OF LEGALLY CONTROLLED MEASURING INSTRUMENTS

No. 0319-OS-A 004-12

On basis of the examination of the metrological, technical and personal competence to verification of legally controlled measuring instruments being carried out in accordance with § 16 of Act No. 505/1990 Coll., on metrology, as amended, and metrological regulation of the Czech Metrology Institute MP 002-07

**Czech Metrology Institute
herewith certifies**

competence of the legal subject: **TECHNOSKLO s.r.o., ID 46709347**
Registered place of business: Držkov 135, PC 468 24

to carry out verification of legally controlled measuring instruments for the following measuring instrument:

- **Volumetric measuring instruments, part:**
 - Burettes and pipettes used for capacity inspection
 - Sedimentation pipettes

A detailed specification of types, measuring ranges and accuracy of the measuring instruments in question, specification of measurement standards and of other measuring instruments and equipment, of measurement methods and of employees designated to carry out the verification are given in the summary report which is annexed to this certificate. Guidelines for using the certificate on metrological, technical and personal competence are an integral part of this certificate.

This certificate has been issued as a demonstration of technical competence (document) for purposes of authorization to verification of legally controlled measuring instruments according to Act No. 505/1990 Coll., on metrology, as amended.

Validity of this certificate expires on: May 22, 2017
Date of issue: May 22, 2012

Dr. Pavel Klenovský
General Director
